PARENT/GUARDIAN REQUEST FOR SCHOOL PHYSICAL

Dear Parent/Guardian:

New Jersey State Law requires that all students must have a physical examination by their own family Doctor upon entry into the school district. Physicals are also required for students who apply for working papers and/or plans to participate in school sports. If you do not have a Doctor, the School District physician is able to perform this exam.

If you have any questions please contact the School Nurse – Ms. N. Kelly.

I request that the School Doctor provide the required physical examination.
